

Marshals get rich
by throwing your neighbors
onto the street.

**In 2019, they made \$14
million.** They operate on
a fee-for-service model.

They are

Marshals profit most during times of

crisis

While the 2009-2010 Great Recession devastated working people, marshals recorded their most profitable year, with just one marshal raking in

\$5 million

They are the enforcers, like cops, and as such they target the most vulnerable, filling their bellies by picking at the bones of working people.

In the eviction crisis spurred by developers and landlords, aided and abetted by our elected officials, marshals deliver the

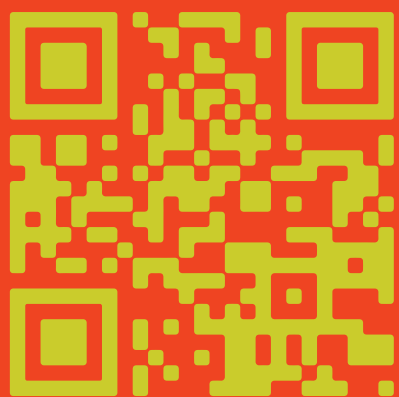

Final Blow.

Are we going to let them

terrorize

our communities,

then head
straight to the
bank?
